FIND YOUR PERFECT REGION

NORTH ALABAMA is full of fantastic festivals, music, shopping and of course, natural beauty.

All types of eco-based activities reign supreme in this region with its many lakes, mountains and caverns. Hike, bike, kayak, fish, swim, find waterfalls, view wildlife and immerse yourself in the great outdoors.

Other "must sees" include the birthplace of Helen Keller in Tuscumbia, Birmingham Botanical Gardens, the US Space & Rocket Center in Huntsville and the Unclaimed Baggage Center in Scottsboro.

north alabama

central alabama

CENTRAL ALABAMA is an adventure through history but don't miss its cultural, sporting and the delicious dining offerings along the way.

Learn how this region played a central role in defining national civil rights by visiting museums in Montgomery and Tuskegee.

Other "must-sees" include the Alabama State Capitol in Montgomery, the International Motorsports Hall of Fame in Talladega and the Confederate Memorial Park in Marbury.

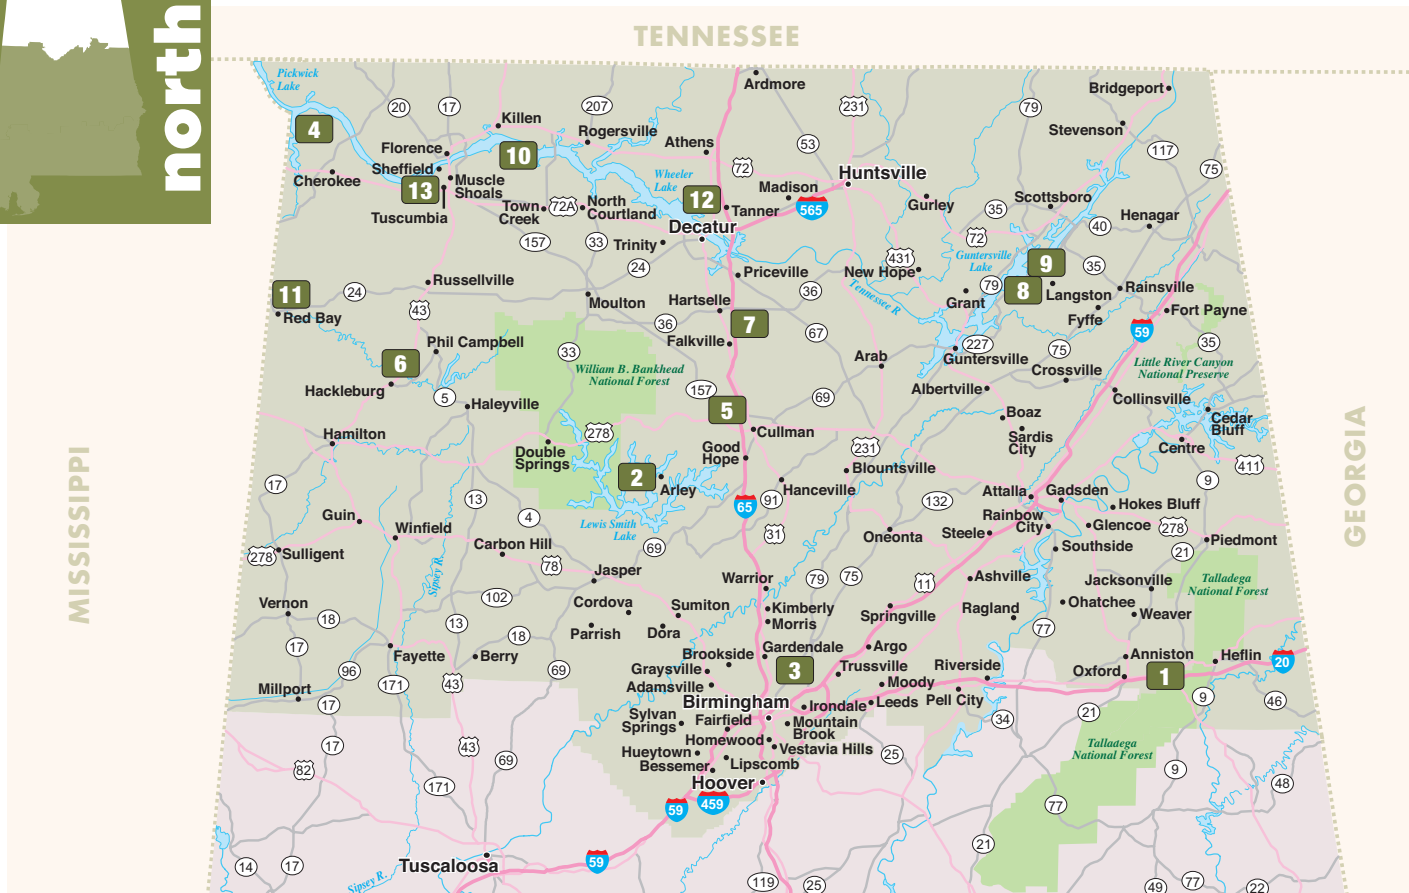

SOUTH ALABAMA is a collection of quaint seaside towns and eclectic inland communities.

Tour historic homes or battleships. Anglers can try their luck and catch "the big one", or you can catch the rays on the sugar-white sand beaches.

The "must sees" include the Battleship USS ALABAMA in Mobile, Weeks Bay National Estuarine Research Reserve in Fairhope, Shorter Mansion in Eufaula and the world's only monument to a pest, the boll weevil in Enterprise.
